

## NRW League Rules

Contributed by Bipin  
Wednesday, 15 April 2009

Recently NRW has published League Rules. The rules and the regulations will remain the same as last year provided by the DCB. Please see the attachment for further information. The Match Results Sheet should carry the Registration Nr of each player, failing to add the Players Number will be not included in to the statistics.

It is the duty of team Captain to send properly filled MRS to NRW committee in order to give out the best to get some of our players to play for the national team. The selections will have a major influence of the statistics added.
